

How can Parents Support i-contribute?

Take them to visit their chosen charity after school

Come along to the Finale in May to hear the fantastic presentations created

Discuss with your child the social issues that you are aware of in our communities

ENCOURAGE YOUR CHILD TO FULLY EMBRACE I-CONTRIBUTE

What is Philanthropy?

www.shutterstock.com · 286664303

A Greek term which directly translated means **love of mankind.** Philanthropy is an idea, event, or action that is done to **better humanity** and usually involves some sacrifice as opposed to being done for a profit motive

PHILANTHROPY
IT TAKES A TEAM

i-contribute

Interdisciplinary Learning in S2

Giving something back to our local community

What is i-contribute?

In the i-contribute period each week pupils will develop a wide range of skills for life, learning and work as well as a sense of pride and achievement in giving something back to their communities.

Pupils will:

- > Investigate social issues that impact on our communities
- > Choose a local charity that supports these social issues
- > Research the charity and the impact it has on the community
- > Create an innovative pitch to give to their peers as to why their charity should be supported
- > The winning teams as voted by their peers will go on to pitch to a judging panel
- > The overall winner in S2 will be awarded £3000 for their charity

What Skills Will Pupils Develop?

Pupils will benefit from increasing their **EMPLOYABILITY** skills and knowledge in the following areas:

- ☑ **Research Skills**—investigating local social issues and charities
- ☑ **Analysis Skills**—looking at information from the charity and putting this into their own words and sales pitch
- ☑ **Communication and Presentation Skills**—pupils will have to pitch to their peers and if they are successful move into the school final where we have a judging panel of pupils, staff and partners from business.
- ☑ **Citizenship**—looking at our democracy in Scotland—how does our voting system work and how we can participate
- ☑ **Creativity**—designing an innovative pitch using a variety of techniques such as music composition, video production

How does i-contribute relate to Modern Studies?

- > Part of the year pupils will be examining the features of our democracy in Scotland—'first past the post' and 'proportional representation'.
- > Proportional representation will then be used in action to decide on how our charity collection money is allocated and the winners who will proceed to the i-discover final
