The James Young High School - *Celebration of Achievement* -

**Our Senior Phase Awards Ceremony takes place on Thursday
13th September 2018 at 19:00.**

There is a change in format from previous years for this event. At this event we will celebrate the academic and wider achievement of our pupils.

Academic Awards have been awarded to pupils for outstanding achievement and effort in their subjects, based on SQA results.

Wider achievement awards are being issued for a wide range of activities including volunteering, music and drama performances, and sports.
