

The James Young High School

Head Teacher: Patricia Gallagher, B Ed (Hons)

18th September 2018

Dear Parent/Carer

S2 HOME ECONOMICS SESSION 2018-19

During the course of S2 your child will participate in practical cookery lessons as part of the curriculum.

Although the school supplies all of the ingredients necessary for the course, we do ask parents to make a contribution towards the cost. We source all the ingredients from West Lothian Council approved suppliers at very reasonable prices and we try to reduce costs as much as possible by supplementing the charges from school funds.

This year the annual cost for S2 pupils is £15. We would like all pupils to take part in the practical lessons. If this cost is an issue for your particular family circumstances please contact your child's House Head to discuss support. Pupils in receipt of free school meals will automatically not be charged for these lessons.

Eligible Pupils

We have added this charge to your child's IpayImpact account and it should be paid in the same way as you electronically top up your child's meal card. If you have not yet signed up for this safe and secure online payment system then I would encourage you to do so now. If you require a note of your sign in details then please contact the school office. Full instructions are again on the reverse of this letter.

We would like to take this opportunity to thank parents for supporting us in advancing towards a cashless environment. As a school we are now also benefitting from the advantage that this brings.

Yours faithfully

Miss P Gallagher
Head Teacher
