

IMMERSION CLASSES – SUPPORTING YOUR ASPIRATIONS

Dear Parents/Carers

As part of our study support programme, we offer Immersion Classes for pupils sitting SQA examinations. These are timed to take place in the lead up to the final examination and are intended to give our pupils the chance to do some final revision and practice with their subject teachers.

Please see the programme below detailing the dates and times of the classes.

Pupils are advised to attend these classes to assist them with their preparation for their examinations, although they are not compulsory. When attending immersion classes pupils should attend in full school uniform and sign in at the school office.

Examination leave begins on Monday 27 April.
