

CURRENT S1 – NEW S2 PARENTS

In our letter dated Friday 24 April, we outlined that we would be moving our pupils onto the next phase of learning on **Wednesday 6 May**. I can now provide you with full details as to how this will operate. We are all aware it is important to keep our pupils progressing in their learning. Our format for this change is different to our normal school day – using longer blocks of time as opposed to shorter 50 minute periods to allow the opportunity for more meaningful engagement to take place and to slow down the pace of a day for everyone.

Summary of Changes

- All our current S1 pupils will move into S2 on **Wednesday 6 May**.
- They will have 4 blocks of learning a day Monday – Thursday; and only the first 2 blocks on a Friday:

Block 1	8.45 – 10.15
Break	10.15 – 10.30
Block 2	10.30 – 12.00
Block 3	12.00 – 1.30
Lunch	1.30 – 2.10
Block 4	2.10 – 3.40

- Pupils will use the joining codes below to sign up for all new classes using Teams.
- S2 pupils will follow the timetable below.
- Pupils who attended igrow classes in S1 will continue in S2.
- HE is a new subject for this year group and it is Home Economics.

Pupils Working from Home

Whilst we will actively encourage all our pupils to participate during the blocks of learning times– we do understand for some of our pupils this may not always be possible. Materials will be available on each class Team for pupils to access out with the block of learning time.

Many thanks and continue to stay safe.
