

OUR WORK PLACEMENTS WORK

THE JAMES YOUNG HIGH SCHOOL WAY

Why?

94% of JYHS pupils who undertook a placement in 2023-2024 said their self confidence had improved, 90% said their CV would be positively impacted. 96% said they were now better prepared for the world of work as a result of their work placement.

Speakers for Schools Research in 2022 has shown those who undertake placements enter their workforce on a higher salary and are less likely to be unemployed.
